27th September 2024

Dear Parent/Carers,

Collective worship

This week we have been thinking about the meaning of Harvest. We have talked about giving thanks to God for providing the seed, soil, sun and rain for crops to grow as well as talking about the importance of helping others, who may not have enough food. This year we are collecting food for the 'Salvation Army Foodbank'. If you are able to support us in this, please send any food items (tins and packets) to school with your child. Thank you in advance.

Sponsored Walk

Next Friday children will be taking part in a sponsored walk to raise funds for school. This will allow children to show their **responsibility** as they work together to raise funds for their school and **Resilience** as they tackle the challenge. Please help us by encouraging your child to gather sponsors for this event (a paper copy of the sponsor form has been sent home with your child).

All funds raised will be used to purchase much needed equipment to support children's learning. KS2 children will be raising money to refresh our reading scheme with a varied range of engaging books to appeal to all readers and promote our love of reading ethos. KS1 and FS children will be raising money to go towards new play equipment to enhance their provision (such as construction, sand and water resources, small world and role play etc).

Parent Group

Our parent group will be meeting next Thursday at 9am at KS2. In the meeting we will be discussing the school vision, special mentions, houses and house ambassadors, sponsored walk, termly clubs, using Arbor, behavior and communication. All are welcome so please pop in if you can.
